Tree of Life fundraiser

The Tree of Life is watered by compassion and generosity. As we mourn those we have lost, we commit to sparing others the pain and torment that so often accompanies substance misuse. To the courageous souls, who in their recovery, serve as beacons to those not quite there yet, we pledge our hearts and hands.

Your contribution to SAFE will keep hope alive and help bring peace and serenity to those individuals and their families who need us most right now.

The Tree of Life will memorialize loved ones we have lost while also celebrating those who seek recovery. Your contribution to this piece of artwork will be displayed as a permanent reminder of our mission.

A purchased leaf will help provide vital support for individuals and families faced with substance misuse and mental health challenges. Be a part of this special fundraiser and share in the celebration of life.

Our large brass leaf is reserved for donations exceeding \$1,000.00
Medium aluminum leaf is \$375
Small copper leaf is \$200
